## Banquet Guidelines & Contract

### Menu:

Thank you for selecting Bison Creek Catering and Bar Service. The contents of our banquet menus are merely suggestions. Our Event Coordinator will design a menu especially for your event. To ensure the highest quality food for your event, the food must be served at the designated serving time. A \$75.00 late fee will be charged for every 20 minutes past the predetermined serving time. The serving time must be confirmed 2 weeks prior to your event. Menu selections are required three weeks prior to your function.

### Pricing, Tax and Service Charge:

Food and beverage prices are subject to change, without notification. Final pricing will be confirmed 90 days prior to your function. All menu prices are subject to applicable Minnesota state sales tax and a 20% service charge. The service charge is not the property of any one employee and will be dispersed at the discretion of management.

### Deposits, Guarantee and Payment:

A non-refundable deposit is required for all functions. A deposit of 1000.00 for catering service and 1000.00 for bar service is required to confirm your reservation. Final payment is due 2 weeks in advance of your function. If there is an outstanding balance due at the conclusion of the function, it is to be paid at that time, unless specific arrangements have been previously set. A guaranteed number of attendees must be received 2 weeks prior to your function. This number will be considered a guarantee and is not subject to reduction. If the guarantee attendance is not received, the number expected will automatically become the guarantee.

### Cancellations:

In the event you should cancel your function, the following non-refundable deposit and cancellation fee will apply:

90-0 days prior: 100% of estimated food & beverage values.

91-180 days prior: 50% of estimated food & beverages values.

If catering or bar deposit is not received this contract becomes null.

### Bartender Fee and Bar Requirements:

Functions require a minimum bar revenue of 1500.00 for catered bar service. Consult your Event Coordinator for details and to arrange your bar service. Bison Creek, as a Licensee, is responsible for the administration of the sale and service of alcoholic beverages in accordance with Minnesota laws. Bison Creek requires that beverages be dispensed only by Bison Creek servers and bartenders. The Bison Creek alcoholic beverages license requires Bison Creek to (1) request valid identification (photo ID) of any person of questionable age and refuse alcoholic beverage service if the person is either underage or if valid identification cannot be produced, and (2) refuse alcoholic beverage service to any person who in Bison Creek's judgment appears to be impaired.
